Frequently Asked Questions

What type of vehicles are used for the safari?

We use comfortable 4x4 safari vehicles, equipped with pop-up roofs for optimal wildlife viewing and photography. These vehicles are designed to handle the terrain and ensure a safe and enjoyable experience.

Is the safari suitable for children?

Yes, our safari is suitable for all ages, including children. We tailor activities to ensure they are engaging and safe for young travelers, making it a family-friendly adventure.

What should I pack for the safari?

We recommend packing light, breathable clothing, a hat, sunglasses, sunscreen, and a good camera. Binoculars are also useful for wildlife viewing. Don't forget a warm layer for cooler evenings.

Are vaccinations required for travel?

We advise consulting with your healthcare provider for the latest recommendations on vaccinations, such as yellow fever and malaria prophylaxis, depending on your travel itinerary and health status.

Can dietary requirements be accommodated?

Yes, we can accommodate various dietary requirements, including vegetarian, vegan, and gluten-free options. Please inform us in advance to ensure your needs are met during the trip.

What is the best time of year to visit?

The dry season is ideal for wildlife viewing as animals gather around water sources. However, the green season offers lush landscapes and fewer crowds, making it a unique time to visit.

Is travel insurance necessary?

Yes, we strongly recommend purchasing travel insurance that covers medical emergencies, trip cancellations, and other unforeseen events. It provides peace of mind throughout your journey.

How can I book this safari?

Booking is easy! Contact our team via email or phone, and we will guide you through the process. We offer flexible payment options and can assist with any questions you have.
