## Itinerary

---

### Day 1

#### Arrival in Moshi

Meals: Breakfast, Lunch, Dinner | Accommodation: Hotel in Moshi

Upon arrival in Moshi, you will be welcomed by our team and transferred to your hotel. This is a day to relax and prepare for the upcoming adventure. Take this opportunity to meet your guides and fellow climbers, and review the itinerary details. Enjoy a leisurely evening, soaking in the anticipation of the climb ahead.

**Day 2**

**Londrossi Gate to Big Tree Camp**

Meals: Breakfast, Lunch, Dinner | Accommodation: Big Tree Camp

Begin your trek at the Londorosi Gate, where registration and permits are handled. The journey starts with a drive through lush rainforest, offering a chance to spot wildlife such as monkeys and exotic birds. Trek to Big Tree Camp, surrounded by dense vegetation, providing a serene setting to acclimatize.

**Day 3**

**Big Tree Camp to Shira 1 Camp**

Meals: Breakfast, Lunch, Dinner | Accommodation: Shira 1 Camp

Today's trek leads you out of the rainforest and onto the moorland, where the landscape opens up with sweeping views. The path ascends steadily, offering glimpses of the majestic Shira Plateau. Arrive at Shira 1 Camp, where the vastness of the plateau becomes evident, making it a perfect spot for stargazing.

**Day 4**

**Shira 1 Camp to Shira 2 Camp**

Meals: Breakfast, Lunch, Dinner | Accommodation: Shira 2 Camp

Continue across the Shira Plateau, a unique high-altitude desert, with panoramic views of Kibo Peak. This day is key for acclimatization, allowing your body to adjust to the altitude. The trek is relatively short, providing ample time to explore the area and enjoy the stunning surroundings at Shira 2 Camp.

## Day 5

### Shira 2 Camp to Barranco Camp

Meals: Breakfast, Lunch, Dinner | Accommodation: Barranco Camp

The journey continues towards the Lava Tower, a striking volcanic formation. This challenging section helps with acclimatization as you reach higher altitudes. Descend into the Barranco Valley, where the camp is set amidst giant groundsels and other unique flora. The views here are truly breathtaking.

## Day 6

### **Barranco Camp to Karanga Camp**

Meals: Breakfast, Lunch, Dinner | Accommodation: Karanga Camp

Tackle the Barranco Wall, a famous climb that rewards with stunning vistas. The trail then winds through the Karanga Valley, offering a mix of ascents and descents. This section is crucial for acclimatization, allowing you to adjust gradually. Reach Karanga Camp, where the atmosphere is vibrant and energizing.

## Day 7

### Karanga Camp to Barafu Camp

Meals: Breakfast, Lunch, Dinner | Accommodation: Barafu Camp

Today's trek leads to Barafu Camp, the base for your summit attempt. The terrain becomes more rugged, with a stark, lunar-like landscape. Spend the afternoon resting and preparing for the final ascent. As night falls, enjoy an early dinner and rest, as the summit push begins in the early hours.

## Frequently Asked Questions

---

### **What is the best time to climb Kilimanjaro?**

The best time to climb Kilimanjaro is during the dry seasons, from late June to October and from late December to February. These months offer clearer skies and better trail conditions.

---

### **How difficult is the Lemosho Route?**

The Lemosho Route is considered a moderate to challenging trek. It offers a gradual ascent with ample time for acclimatization, making it suitable for climbers with a good level of fitness.

---

### **Do I need prior climbing experience?**

No prior climbing experience is necessary for the Lemosho Route. However, a good level of physical fitness is important, as the trek involves long days of walking at high altitudes.

---

### **What should I pack for the climb?**

Essential items include warm clothing, a sleeping bag, hiking boots, a headlamp, and personal toiletries. A detailed packing list will be provided upon booking.

---

### **Are porters available to carry luggage?**

Yes, porters will carry your main luggage, while you will need to carry a daypack with essentials like water, snacks, and a camera.

---

### **Is altitude sickness a concern?**

Altitude sickness can be a concern, but the Lemosho Route's gradual ascent helps with acclimatization. Guides are trained to monitor your health and respond to any issues.

---

### **What meals are provided during the trek?**

Nutritious meals are provided throughout the trek, including breakfast, lunch, and dinner. Special dietary requirements can be accommodated with prior notice.

---

### **How can I prepare physically for the climb?**

Regular cardiovascular exercise, strength training, and hiking practice can help prepare you for the climb. It's advisable to start training several months in advance.
