Frequently Asked Questions

Is this safari truly private for just the two of us?

Yes, all game drives are conducted in a private 4x4 safari vehicle with your own dedicated professional guide. This ensures you have the freedom to set your own pace, stop for as long as you like at sightings, and enjoy total privacy throughout your time in the wilderness.

Can we add special romantic surprises to the itinerary?

Absolutely. We specialize in extra touches. Whether you want to arrange a surprise hot air balloon proposal, a private candlelit bush dinner, or a champagne breakfast on the Serengeti plains, our concierge team can organize these details to make your honeymoon unique.

What is the luggage policy for the flight to Zanzibar?

The domestic flights between the safari circuit and Zanzibar use small aircraft. There is a strict luggage limit of 15kg (33lbs) per person, and bags must be soft-sided, duffel style, to fit in the cargo pod. We can arrange for excess luggage storage in Arusha if needed.

Are the lodges safe and private enough for a honeymoon?

We hand-pick honeymoon-grade lodges and camps that prioritize privacy and intimacy. Many of the luxury camps feature only 8u201310 tents total, spaced far apart. Most lodges we select offer honeymoon suites which often include private decks, plunge pools, or outdoor showers.

Do we need any specific vaccinations for this trip?

For Tanzania, we recommend consulting your doctor about malaria prophylaxis and yellow fever. While Zanzibar is a tropical island, the safari parks are at a higher elevation. Personal travel insurance is highly recommended.
